## **Annual Report of Chennai Chapter (2015)**

This year 15 new members have joined the association. We are compiling the list of our life members with the new additions with maximum available information and it is expected to be completed soon.

Three EC meetings were held during this period. In one of the EC meeting, the members principally agreed to join as "CHENNAI CHAPTER " with the parent CPWA, Lucknow. This will be placed in the General Body meeting for approval.

Eight members who have completed 80 years, namely V. Srinivasan, K. Sundarajan, K. Seshadri, K. Muralidharan, G. Seethapathy, P. V. Raman, R. Viswanathan and D. Ambujavalli will be felicitated during the Annual General Body Meeting likely to be held during March 2016.

We are sad to report that four members namely T. V. Thiagarajan, M. Vasantha Rao, C. Delhi and Dr. P. V. Sankara Narayanan have left for their heavenly abode and condolence messages have been sent to the respective families.
